Challenger's Lifetime annuities

➔ Challenger.com.au/lifetimeannuities

There are almost 700 Australians retiring each day. Many will have one overriding concern: will their money go the distance? The good news is that there's a solution that can provide them with certainty. Challenger's lifetime annuities guarantee an income, no matter how long they live or how sharemarkets perform.

To help you guide client conversations, Challenger has developed a range of retirement income tools and resources which you can access at **Challenger.com.au/lifetimeannuities**.
